Bring paint, household cleaners, lawn and garden chemicals, car care products, arts and crafts products, and just about any other household hazardous waste. The limit is 35 gallons of waste in total from each household. Check labels for words like flammable, corrosive, poison, caution, and danger. *For your safety it is always best to carry these items in a separate compartment (like the trunk of your car) with secured lids to eliminate spills in transport.*

What about hazardous waste from businesses? Businesses which generate small amounts of hazardous waste may pre-register to bring that waste to this event.
