Subject: Referral Request for Application PC 23 16 EAP 01 at 7th and Laurel

Good afternoon Jamie and Dan,

We received an application request for an extension to the conditional use permit for a single unit residential dwelling at the corner of 7th & Laurel and a temporary conditional use permit approval for a construction site dwelling allowing the property owner to reside on the property during construction.

Can you please provide any information you have about the site and if any call or complaints have been made regarding this site?

Information about this application can be found [HERE](#).

Information about the prior approval approvals can be found [HERE](#).

I apologize for the short notice, but any comments by the end of the day on Tuesday May 21st would be greatly appreciated.

Thank you,

Clare
